Blackburn

REQUEST TO USE COMPUTER READABLE FORM FROM ANOTHER APPLICATION

BOX PATENT APPLICATION Commissioner for Patents Washington, D.C. 20231

Sir:

Applicants request entry of the identical computer readable form from a related application. Specifically, the computer-readable form of the Sequence Listing in the above-identified application is identical to that in Application Serial No. 09/220,427, which has a filing date of December 24, 1998. The computer-readable form of the Sequence Listing in Application No. 09/220,427 was filed on November 8, 1999. In accordance with 37 C.F.R. 1.821(e), please use the computer-readable form of the Sequence Listing filed in that application as the computer-readable form in the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer-readable form of the Sequence Listing that will be used in the instant application. A

paper copy of the sequence listing is included in the originally-filed specification of the instant application.

DATED: August 27, 2001

Janet M. McNicholas, Ph.D. Registration No. 32,918
